(Signed) Director/Secretary

This...8th...Day of

NOTES

the study of the history, development, and use of the word *change* in the English language. The study of the history of the word *change* is a complex task, as it involves the study of the word's etymology, its meaning, and its use in different contexts. The word *change* has a long history, with its roots in Old English. It has since evolved to mean a variety of things, including a transformation, a modification, or a replacement. The study of the history of the word *change* is a fascinating task, as it allows us to see how the word has changed over time and how it has been used in different contexts.
