BC OF CATTLE MANAGEMENT IN ROUGHT

usiness, News, word from the market
[Save a comment](#)

By Chipo Tachiona MANY parts of the
untry have for several weeks been
xperiencing dry spell owing to an El-Nino
henomena. This has resulted in crops
ccumbing to moisture stress. Livestocks
ave not been spared. Managing cattle
uring drought can be a difficult and stressful
isk. Drought conditions can cause...

O-ORDINATED PRODUCTION KEY TO
GRIC TRANSFORMATION

orticulture, News [Leave a comment](#)

y Simon Pande Agricultural production is a
ritical component of Zimbabwe's National
evelopment Strategy 1 which seeks to
chieve an upper middle-class economy by
030. In this regard, the government has
mbarked on several programmes, which
eeks to empower the rural populace, the
majority of whom rely on agriculture
roduction for their livelihoods, through...

ABOUT US

AMA is mandated with the overall regulation of the production, marketing and processing of agricultural products in Zimbabwe. The overall functions of the authority stipulated in the Act are:

- To regulate the participation in the production, buying or processing of any agricultural product by producers, buyers or processors or classes of producers, buyers or processors of any agricultural product upon such terms and conditions, including, as appropriate the fixing of quotas, as may be prescribed.
