Tavydale Farm

Mazowe

Dear Sir

STATUS OF TAVYDALE FARM IN MAZOWE DISTRICT

I refer to your letter dated 8 May 2012 in which you requested for the status of Tavydale farm.

Tavydale is covered under the Bilateral Investment Promotion Protection Agreement (BIPPA) signed between Zimbabwe and Belgium. It is our current policy that land covered by BIPPA if not settled should retain the status quo.

Currently Tavydale is not available for resettlement.

Hope you will be guided accordingly.
