

### VETERINARY HEALTH CERTIFICATE

I, DR NYARADZO PATRICIA SAMAKWIRE

a veterinarian authorised thereto by the Veterinary Authority of Zimbabwe hereby certify that the animals described below-

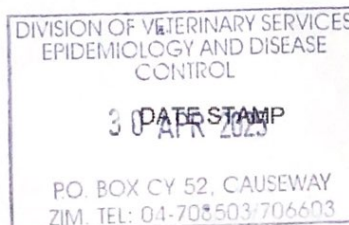

- I. have been in Zimbabwe since birth/for a continuous period of at least three months prior to shipment;
- II. were tested for dourine, in the case of mares and/or stallions, with negative results within 30 days prior to shipment;
- III. were tested for glanders, with negative results within 30 days prior to shipment;
- or
- alternatively, the country of origin certified to be free from glanders;
- IV. were tested for Surra within 30 days prior to shipment by means of an ELISA or card agglutination test.
- V. were examined by me 21 days prior to shipment and found to be free of external parasites and communicable diseases to which the species is susceptible;
- VI. have been immunised against Equine Influenza and are immune or the country of origin is officially free of Equine Influenza.
- VII. Originated from premises where no cases of strangles have been reported.
- VIII. No reported cases of Equine Viral Arteritis had been diagnosed in ZIMBABWE for the past two years.
- IX. I officially informed the exporter that these animals may not be moved directly to the African horse sickness controlled area the Western Cape Province according to South African legislation.
